News

Retail Store Hours: Monday: 12 noon - 7:00 pm, Tuesday & Thursday: 11 am - 7:00 pm, Wednesday: 11 am - 9 pm
Friday & Saturday: 10 am - 9 pm, Sunday: 12 noon - 5 pm.

Our Craft Retreat Week is HERE!!!

As the warm weather finally seems to be here for good, we'll help you welcome in the lazy days of summer with our

First Annual Craft Retreat Week! Our line-up of teachers and classes is extraordinary! Besides bringing out the best of some NEW classes taught by the Jubili staff, we are thrilled to introduce our fabulous, nationally-known and up-and-coming regional instructors, for both week-long programs! For

the "Craft Cornucopia", where attendees will get a taste of many wonderful crafts, (including flame work glass bead-making!), we will be welcoming the following famous names:

Leslie Rogalski, Editor-In-Chief of Step by Step Beads Magazine

Denise Peck, Editor in Chief, Step by Step Wire Jewelry Magazine

Helen Driggs, Managing Editor, Lapidary Journal Magazine

Ellen Marshall, awesome polymer clay artist, published magazine author, and author of the new book, *Polymer Clay Surface Design Recipes: 100 Mixed-Media Techniques Plus Project Ideas* (Paperback)

We're equally proud of our "Flame Work Week" instructors:

Jeri Warhaftig, (Jeri's Beads), Patti Dougherty,

Diane Worthington, Deb DiMarco and Eva Shelley

To attend, you may sign up for either the entire week of the program of your choice, (and get several bonuses for doing so), or sign up for individual classes. Either way, you'll be glad you took advantage of this wonderful line-up! Come on out and join us, and help us make this a yearly event! Class registration information, the class schedule for both programs, class project photos, & hotel accommodations can be viewed on our web site. Go to the Home Page, <http://www.jubilibeatsandyarns.com>, scroll down a bit, and click on the link to see all! Looking forward to seeing you in class!

Summer Camp is also upon us!

Kids are special here at Jubili Beads & Yarns®! We have a wonderful line-up of classes for kids ages 7 -13, starting after July 4th. Class sessions are Tuesdays and Thursdays, for 2-3 hours. Scheduling and prices will be available in the store, or on our web site.

Enroll your child NOW to reserve a space!

Mondays will be DISCOUNT DAY!

Although most of Collingswood is closed on Mondays, we're OPEN and ready to help you nurture your creative spirit! Plus, on-street parking is a cinch here on Mondays! So, to inspire you to come on out and do your shopping on Mondays, starting June 1st, Monday will be 10% DISCOUNT DAY! Remember to mark your calendar as a reminder, so you can take advantage of this special pricing, and visit us on Mondays!

(Other discounts may not apply).

Help us save more trees...and serve you better!

Jubili Beads & Yarns® will be THREE YEARS OLD on June 20th! Since we first opened our doors, we have computerized our pricing, developed our e commerce web site, and put our newsletter online. In addition, we're proud to say that our mailing list has grown considerably! Since more people now have home computers and internet access, we would like to inspire you to switch to having your newsletter sent to you via e mail, instead of via print & snail mail. Besides being kind to mother earth by using less paper, using your e mail address will enable us to let you know much more frequently about what's happening at Jubili. If classes get added, cancelled, or changed, as new inventory arrives and is put out on the floor, we can keep you informed "as it happens"...instead of every two months. Lastly, with the increasing cost of printing and mailing, I would much rather spend the money on more new inventory, than on mailing costs!

So, if you haven't already, we would appreciate your calling or e mailing us, to convert your address from snail mail to e mail. To do so, just use our new, special e mail address: switchtoEM@jubilibeatsandyarns.com. And please remember to keep us current should your e mail address change!

To further motivate you to make the change, we will hold a "Make the Switch Sweepstakes". For the next two months, we'll pick 5 names out of those that make the switch. Winners will win a \$10 GIFT CERTIFICATE, redeemable for anything, to Jubili Beads & Yarns®!

And during the third week in June, stop by for some delicious anniversary cake (from DiBartolo's, of course!), to help us celebrate. It's our thanks to you all for your continued friendship, support, and patronage!

Great new treasures!

We've been bringing in great new inventory that will help keep your jewelry designs right up with the times! If you don't see these, please ask and we'll direct you! Our expanded collection of Swarovski crystals, including a whole new line of the new shape, the "helix", gorgeous Swarovski pendants, including big shell and starfish pendants for you beach fans. We also have tiny butterflies & flowers...all in lots of wonderful colors! With "au natural" being quite chic now, we have a whole new display of great natural beads: coconut & mother-of-pearl spacers in fabulous summery colors, kukui and rubber seed beads, stylish coconut pendants, crocheted and straw colored ball beads. Chain is hot hot hot!!! Whether plated, sterling, gold-filled or costume...we have lots of it! Don't miss the fabulous new style of fold-over/magnetic clasp we have in several finishes. Where the semi-precious stones used to be, we have gorgeous sets of gold and silver colored two-holed castings, with beautiful glass and crystal embellishments. These are great for everything from watch bands to necklaces and beyond! And last but not least, if you're a Hill Tribe silver fan, we've just gotten in everything from extra large bead caps, (perfect for finishing your bead crocheted ropes) to earring findings, charms, spacers...and more!

Jubili Class Descriptions

For more complete descriptions & photos of the class projects, please visit our web site at www.jubilibeadsandyarns.com/classes.html

Fun for Kids

Sign your kids up for our two day a week Kids' Craft Camp! See our web site for the class schedule and project examples.

Special Guest Instructors

The previously scheduled Dichroic Glass two day work shop by Nikki Blanchard of Moontide Studio has been postponed. Watch the web site and your e mail for the rescheduling date. Don't miss this fabulous class!

First Annual Craft Retreat Week, June 23 – July 1st, 2006

You will not want to miss being a part of the wonderful schedule of workshops we're offering this week. What a way to welcome in the summer! See the schedule in this newsletter, and further details with project examples on our web site. See you there!

Flame work Bead-making Studio

Few people want to sit at a hot torch during the summer. In addition, some of the room equipment will automatically turn itself off when there is a high ambient temperature. For these reasons, the last flame work classes will be in the end of June, as part of our Craft Retreat Week. Classes in the flame work studio will resume in the Fall. Take advantage of the many awesome instructors who will teach during our Craft Retreat Week! You are always welcome to find out more about our state-of-the-art studio by coming in for the tour, or by visiting the Flame Work section on our web site.

Please sign up in advance; Strict minimum of 3 people for all classes and Open Studio. 18 or older; 16 & 17 y/o's require signed consent by parent or guardian. \$40 kiln fee each firing, to be split among all students in class/open studio. 50% deposit is non-refundable for no-show, 100% of deposit will be forfeited for no-shows for guest teachers.

Special Events

First Annual Craft Retreat Week: June 23 – July 1st (See newsletter & web site)

Second Saturday: Don't miss Collingswood's monthly shindig! The stores come alive with great local artisans, and there's music in the street! Fun for the whole family! June 10th, 6:00 – 9:00 pm

Jubili Beads & Yarns®
713 Haddon Ave
Collingswood, NJ 08108
856-858-7844
www.jubilibeadsand yarns.com

Announcing...our First Annual Craft Retreat Week!

Before many of you scatter off to your summer vacations, we're spotlighting the end of June, when we're hosting our First Annual Craft Retreat Week. Here's your chance to help us make this a yearly tradition! Sign up for either a whole week of Flame Work Glass Bead-making classes, or our "Craft Cornucopia", a little bit of everything! You'll help us welcome some nationally-known names: **Helen Driggs**, Managing Editor of Lapidary Journal, **Denise Peck**, Editor-in-Chief of Step by Step Wire Jewelry, **Leslie Rogalski**, Editor of Step by Step Beads, and **Ellen Marshall**, whose first book on polymer clay techniques was recently published. In addition, the staff of Jubili Beads & Yarns® will also be teaching some great new techniques. Sign up for the whole week or individual workshops. Either way, it promises to be a great time, and the beginning of a tradition! We'll be celebrating the week with door prizes and munchies! Check out the web site for the class schedules, teacher bios and project photos. See you there!

Jewelry for special occasions

We haven't forgotten that June brings many special occasions! For you near future brides, it's not too late to have us help you design your bridal party jewelry gifts! It's as easy as making a bridal consultation appointment with one of the Jubili staff members! And for all your special graduates and their teachers, ask us about the wonderful sterling silver charms we have...everything from #1 Teacher to charms for graduating doctors, nurses, dentists and hygienists. We haven't forgotten about the ribbon charms to honor the many causes; take your pick of sterling or gold-plated finishes, and a pink enamel ribbon. What's more, we have an amazing array of new brass and sterling charms to herald in the summer: ask about our star fish, sea horses, shells, sail boats...and more!

The lazy days of summer....

Once the summer comes, lots of you are going away to enjoy your summer vacations. Understandably, class attendance, especially the flame work classes, drops down a bit. Therefore, we'll be having a lighter class schedule for the summer months, specifically for the group classes. However, you certainly still have the option of a private lesson in any of the in-house classes that we offer. After the Craft Retreat Week, we'll close down our lamp work studio except for "Open Studio" (weather/temperature permitting!) We learned from experiencing the 100 degree days last summer, when the compressor used to pressurize the air shut itself off because the ambient temperature got too high.

We are also still happy to host your kids' birthday parties, (we suggest you follow it with an ice cream bash four doors down at The Pop Shop!), adult and "Gals' Night Out" parties, Girl Scout troops, you name it! For staffing considerations, please give us two weeks advance notice for your date.

Store News

More new treats to check out are: The "Flip 'N' Dazzle" jewelry and bead carrying totes, in 5 designs, as seen in all the major magazines.

Fabulous hand-sculpted GLASS star, sea horse, heart, witch balls, and absolutely amazing toggle clasps by Eva Shelley! These are great for bead/fiber combinations! And her amazing glass buttons are perfect for jewelry, sweaters...you name it!
